

Make every effort to be in class every day,
ready to learn! Place a ✓ on each day that
you are present! Keep it going!

Educational Tips for Families

- ✓ Ensure your student attends school. Attendance matters, every single day!
- ✓ Establish daily reading routines - let your student see you read and encourage your student to read for fun all year.
- ✓ Highlight the use of math in everyday life through daily activities: games, household tasks, number puzzles, and even books.
- ✓ Monitor your student's grades through your school's parent portal, your student's report cards, and reaching out to your student's teachers when you have questions.
- ✓ Get involved and stay connected to your student's school, however and whenever you can.

School is
better when
we are
together!

Did You Know?

School attendance is a powerful predictor of student outcomes.

Typically, being absent 18 days a school year qualifies as being Chronically Absent.

New Jersey defines Chronic Absenteeism as missing 10% or more school days during the year (or two days per month).
