Dear Chief School Administrator,

In today's increasingly connected world, cell phones and other internet-enabled devices are integral to how students communicate, access information, and engage with the broader world. However, the unregulated use of these devices during the school day can result in lower academic performance, harm to emotional well-being, and deterioration of a positive school climate.

In support of districts' efforts to address the adverse effects of excessive use of internet-enabled devices, the New Jersey Department of Education (NJDOE) is pleased to announce the State's first Phone-Free Schools Grant Program. This initiative is designed to help districts adopt **Bell-to-Bell Internet-Enabled Device** policies where student devices are securely stored upon entry to school and returned at dismissal.

A Bell-to-Bell policy is defined as follows: Cell phones and other internet-enabled devices brought to school are securely stored by school district staff and returned at the end of the day. Students are unable to access their devices throughout the entire school day.

This program provides grant funding, supported by New Jersey's FY2026 Appropriations Act, to support school districts in implementing:

1. Storage solutions that enable collection at building or classroom entry and secure, day-long restriction of access (e.g., locked pouch systems, centralized lockers/bins, check-in cabinets, and associated unlocking/collection hardware/software); and
2. Training for staff on the adopted cell phone policy and storage procedures, ensuring consistent, equitable implementation across schools.

Initial eligible award amounts are based on student enrollment in grades 6-12 in eligible districts, with a minimum allocation of \$500. Each district's allocation was determined using the projected number of students in grades 6–12 for school year (SY) 2025–26. Awards amounts for eligible districts are included in the appendix below.

Please note that these award amounts are subject to increase if all eligible districts do not elect to participate in the program.

Attached is a Letter of Agreement (LOA) outlining the responsibilities and expectations of the program. By choosing to participate, districts commit to adopting and implementing a Bell-to-Bell ban policy for all students in grades 6–12 as outlined in this LOA. Please ensure the LOA is signed and returned by October 31, 2025. Following this deadline, award amounts will be recalculated based on district participation, prospective

awardees will be notified of their final award amounts, and funds will be released once NJDOE receives a formal board resolution accepting the award. Formal board resolutions must be adopted and uploaded by **January 16, 2026**.

All submissions must be made via a secure portal in [NJ Homeroom](#) specifically designated for uploading the signed LOA. Districts will follow the instructions provided to ensure accurate and timely submission. Funds cannot be released until NJDOE receives the fully signed LOA and formal board resolution accepting the funds.

The timeframe for the Phone-Free Schools Program is **July 1, 2025 through June 30, 2026**. Participating districts can be reimbursed for any allowable costs incurred during that timeframe provided they comply with the requirements outlined in this memorandum and the attached LOA.

If you have any questions, please contact PhoneFreeSchools@doe.nj.gov

Sincerely,

Kathy Ehling, Assistant Commissioner
Division of Educational Services

Phone-Free Schools Grant Letter of Agreement

This Letter of Agreement (LOA) outlines the responsibilities and expectations of your district under this award. **Please gather the required signatures identified in the attached LOA and upload the signed LOA to the respective [Homeroom Folder](#).**

Funds will be released at a later date after the NJDOE:

- Receives and accepts the completed and signed LOA;
- Finalizes the adjusted award amount; and
- Receives your district board of education's formal resolution to accept the award.

Complete and signed LOAs must be uploaded by **October 31, 2025** to participate in the Phone-Free Schools Program. Formal board resolutions must be adopted and uploaded by **January 16, 2026**.

I. Budget

There are two allowable costs for this program:

- Storage solutions that enable collection at building or classroom entry and secure, day-long restriction of access, such as locked pouch systems, centralized lockers/bins, check-in cabinets, and associated unlocking/collection hardware; and
- Training for staff on the adopted Bell-to-Bell policy and storage procedures, ensuring consistent implementation across schools.

II. Policy Development and Adoption

The following activities are encouraged for districts electing to participate in the Phone-Free Schools Program:

- Align the board's cell phone policy with NJDOE's guidelines describing a Bell-to-Bell ban, which requires student internet-enabled devices to be securely stored upon entry to the school building or classroom and returned at dismissal.
- Conduct stakeholder engagement during policy development, ensuring meaningful input from students, parents/guardians, educators, and school leaders so that the policy is responsive to local context. This will be especially important if the district is modifying an existing policy that may have been less stringent than a Bell-to-Bell ban.
- Distribute the adopted policy to students, parents/guardians, and staff, ensuring clarity on expectations, rationale, and enforcement procedures.
- Provide training to staff on the adopted cell phone policy, including accommodations and exceptions to the Bell-to-Bell ban and procedures for responding to student violations.

Note: Participation in the Phone-Free Schools grant program requires the adoption of a Bell-to-Bell Policy. Adoption of less stringent policies like Off and Away Policies or Limited Use Policies do not qualify for this program.

III. Requirements for Recording and Reporting

- Record and report the grant award in the books, records, and financial statements of the school district, as follows: These funds are restricted to the specific uses described in the grant documents and must be recorded in the Special Revenue Fund, as they are restricted to the grant's particular purpose(s);
- To record the grant revenue, use account 20-3290 (line number 765 – Other Restricted Entitlements) for other special state projects; and

- To record the grant appropriations and expenditures, use accounts in fund 20) with existing function and object codes as appropriate for grant expenditures; no new function or object codes will be added for this grant.
