

New Jersey Department of Education

Division of Finance
Chapter 27 – Student Transportation
Adoption
State Board of Education
January 2021

Brief Review of Amendments at Adoption

- School bus safety
 - Implement new package of school bus safety laws
 - Codify best practices for school districts to ensure safety of students
- Reviewed for alignment with current law
 - Examples: homeless students deemed domiciled, mobility assistance vehicles, including existing training programs
- Clarified and streamlined existing regulations for practitioner ease of use
 - Aligning terms and definitions throughout the rules

Public Comments – No Changes

- Three commenters
- Supportive of the proposed amendments
- No recommended changes as a result of comments
