### WORK SESSION

There was no work session.

### NEW BUSINESS

President Aponte stated that former State Board member Maud Dahme was in attendance at today's meeting.

President Aponte stated that the State Board received a petition for rulemaking request from Ms. Linda Bolger on March 23, 2018 requesting that the State Board of Education amend the rules pertaining to

certification to include a third option for the entity that issues a Water Safety Instructor Certificate required for a swimming and water safety endorsement to an instructional certificate.

President Aponte stated that the petition was reviewed and it was determined that the request should be denied because while the petitioner states that the FAST Swim Program is comparable in benefits and achievements to the American Red Cross and YMCA certificate programs, which are the two certificate issuers authorized under the regulations, the Department does not possess the expertise to ascertain whether the petitioner's FAST Swim Program is comparable to the American Red Cross or YMCA programs. The petitioner did not submit evidence that the FAST Swim Program meets or exceeds the components of the currently required programs.

President Aponte stated that a notice of action advising that this petition is denied was filed with the OAL May 21, 2018. President Aponte stated that a copy of the notice of action will be mailed to the Petitioner as soon as possible.

Vice President Andrew Mulvihill inquired as to the status of the issuance of new charters and requests for charter school expansion.

State Board member Kathy Goldenberg inquired as to when committees would report out again.

### **ADJOURNMENT**

On a motion duly seconded and carried, the State Board of Education adjourned its June 6, 2018, public meeting at 12:39 p.m.
