

SAMPLE Change in Placement Determination Form

Student: _____

School: _____

Grade: _____

Date _____

A change of placement occurs if the student is subject to a series of removals that constitute a pattern because they accumulate to more than 10 days in a school year, because the behavior is substantially similar to behavior in previous incidents and in consideration of the following factors:

- Length of each removal
- Total amount of time the student is removed
- Proximity of the removals to one another

Is there a change of placement? _____ Yes _____ No

If yes:

- Has the parent received a copy of PRISE? (with the notice of suspension)
- Has a manifestation determination meeting been scheduled? Date of meeting: _____

If no:

Student may continue the suspension

- It Is the current suspension more than 4 consecutive days? ____ Yes ____ No
- If Yes, educational services must be provided starting with the fifth day, as would be provided to general education students.
- If No, the case manager and disciplinarian (in consultation with the student's teacher) determines if services are warranted to enable the student to progress on IEP goals and objectives.
- If services are warranted, list the extent of services. _____
