Mr. Nicholas R. DeMauro, Executive Director
Law Enforcement Against Drugs, Inc.
5 South Main Street
Allentown, NJ 08501

Dear Mr. DeMauro:

The New Jersey Department of Education is in receipt of your letter submitted on behalf of Law Enforcement Against Drugs, Inc. (L.E.A.D.) requesting a waiver of the prohibition on overnight travel in order to facilitate the hosting of the 6th Annual 21st Century Drug & Violence Prevention Training Conference planned for June 27 – 30, 2021, in Atlantic City, New Jersey.

As you are aware, *N.J.S.A. 18A:11-12* requires that boards of education must ensure that all school district travel expenditures are “in compliance with state travel payment guidelines as established by the Department of the Treasury...” *N.J.A.C. 6A:23A-7.11(b)* and State Department of the Treasury OMB Circular 16-11 Section X.B specifically prohibit reimbursement of in-state overnight travel. However, the circular and *N.J.A.C. 6A:23A-7.11(c)* authorize the Commissioner to grant overnight in-state travel waivers only in extremely limited circumstances, where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference’s content, structure, scheduling, and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging. The travel regulations are posted on the [NJDOE’s website](#).

Pursuant to the regulations, waivers will not be granted for reimbursement of lodging prior to the first day of the event or after check-out time of the last day of the event. Moreover, waivers will be considered only where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference’s content, structure, scheduling and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging.

After carefully reviewing your submission, the NJDOE finds that the L.E.A.D.’s 6th Annual 21st Century Drug & Violence Prevention Training Conference planned for June 27 – 30, 2020, meets the criteria of the regulations. Specifically, I note that based upon the content of your submission, the conference will provide important programming, professional development, and educational programs of current relevance to school district personnel charged with maintaining a safe school environment for their

students. For this reason, a waiver request for the 6th Annual 21st Century Drug & Violence Prevention Training Conference is granted. Because of this waiver, school districts, charter schools, and renaissance school projects will be able to reimburse eligible attendees for overnight lodging on **June 27, 28, and 29, 2021** only, provided that the remaining conditions delineated in this letter are met. Reimbursement for registration fees, mileage and meals, subject to the limitations and conditions set forth in OMB Circular 16-11 and OMB Circular 11-09, may also be permissible. School districts, charter schools, and renaissance school projects should ensure that they approve attendance only of board members, trustees, and employees whose duties are related to the purposes of the conference or who are required to attend to meet continuing education requirements as a condition of continued employment.

Moreover, please be advised that the waiver of the prohibition for reimbursement for overnight lodging covers only those attendees whose home to event commute exceeds 50 miles. In other words, only those individuals whose one-way commute to the L.E.A.D.'s 6th Annual 21st Century Drug & Violence Prevention Training Conference in Atlantic City, NJ, exceeds 50 miles may obtain reimbursement from their school district, charter school or renaissance school project for overnight lodging for **June 27, 28, and 29, 2021**.

The Department reminds L.E.A.D. that the State of New Jersey is currently in the midst of a public health emergency, and that as such, the Governor's Executive Orders set forth requirements regarding gatherings and events, and federal, state, and local authorities have issued guidance regarding appropriate public health recommendations to mitigate the spread of COVID-19. This letter does not constitute a waiver of those requirements or comment on the wisdom of holding a public event. To that end, please note that L.E.A.D. must comply with any Executive Orders in effect at the time of this conference, and it is recommended that the organization work with the host of the event and the local public health authority to ensure they remain in compliance and promote the safety and wellbeing of all attendees.

Finally, I want to express my appreciation for the effort of the L.E.A.D. to provide professional development opportunities to those who strive to provide quality public education in New Jersey. My best wishes for a successful conference.

Sincerely,
