Mr. Randy Stamm, President
New Jersey Association for College Admission Counseling
700 Route 15 South, PO Box 852

Dear Mr. Stamm:

The New Jersey Department of Education is in receipt of your letter submitted on behalf of New Jersey Association for College Admission Counseling (NJACAC) requesting a waiver of the prohibition on overnight travel in order to facilitate the hosting of the Annual Conference planned for May 18 - 20, 2025, in Atlantic City, New Jersey.

As you are aware, *N.J.S.A. 18A:11-12* requires that boards of education must ensure that all school district travel expenditures are "in compliance with state travel payment guidelines as established by the Department of the Treasury..." *N.J.A.C. 6A:23A-7.11(b)* and State Department of the Treasury OMB Circular 20-04 Section X.B specifically prohibit reimbursement of in-state overnight travel. However, the circular and *N.J.A.C. 6A:23A-7.11(c)* authorize the Commissioner to grant overnight in-state travel waivers only in extremely limited circumstances, where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference's content, structure, scheduling, and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging. Pursuant to the regulations, waivers will not be granted for reimbursement of lodging prior to the first day of the event or after check-out time of the last day of the event. The travel regulations are posted on the [NJDOE's website](https://www.nj.gov/education).

After carefully reviewing your submission, the NJDOE finds that only May 19 and 20, 2025 of the NJACAC Annual Conference meets the criteria of the regulations and is hereby approved (the activities scheduled for the first day of the conference do not meet the criteria because they do not provide professional development that would lead to educational improvement). Because of this waiver, school districts, charter schools, and

renaissance school projects will be able to reimburse eligible attendees for overnight lodging on **May 19, 2025** only, provided that the remaining conditions delineated in this letter are met.

Reimbursement for registration fees, mileage and meals, subject to the limitations and conditions set forth in OMB Circular 20-04 and OMB Circular 16-11, may also be permissible. School districts, charter schools, and renaissance school projects should ensure that they approve attendance only of board members, trustees, and employees whose duties are related to the purposes of the conference or who are required to attend to meet continuing education requirements as a condition of continued employment.

Moreover, please be advised that the waiver of the prohibition for reimbursement for overnight lodging covers only those attendees whose home to event commute exceeds 50 miles. In other words, only those individuals whose one-way commute to the Annual Conference in Atlantic City, NJ, exceeds 50 miles may obtain reimbursement from their school district, charter school or renaissance school project for overnight lodging for **May 19, 2025**.

Finally, I want to express my appreciation for the effort of the NJACAC to provide professional development opportunities to those who strive to provide quality public education in New Jersey. My best wishes for a successful conference.

Sincerely,
