Ms. Janet Hawk, Executive Director  
New Jersey School Nutrition Association  
P.O. Box 225  
Waretown, NJ 08758

Dear Ms. Hawk:

The New Jersey Department of Education (NJDOE) is in receipt of your letter submitted on behalf of the New Jersey School Nutrition Association, (NJ-SNA) requesting a waiver of the prohibition on overnight travel in order to facilitate the hosting of the Annual Conference planned for November 8-10, 2017, in Atlantic City, New Jersey.

As you are aware, *N.J.S.A.* 18A:11-12 requires that boards of education must ensure that all school district travel expenditures are “in compliance with state travel payment guidelines as established by the Department of the Treasury...” *N.J.A.C.* 6A:23A-7.11(b) and State Department of the Treasury *OMB Circular 16-11* Section X.B specifically prohibit reimbursement of in-state overnight travel. However, the circular and *N.J.A.C.* 6A:23A-7.11(c) authorize the Commissioner to grant overnight in-state travel waivers only in extremely limited circumstances, where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference’s content, structure, scheduling, and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging. The travel regulations are posted on the Department’s web site at: <http://www.state.nj.us/education/code/current/title6a/chap23a.pdf>.

Pursuant to the regulations, waivers will not be granted for reimbursement of lodging prior to the first day of the event or after check-out time of the last day of the event. Moreover, waivers will be considered only where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference’s content, structure, scheduling and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging.

Ms. Janet Hawk

After carefully reviewing your submission, the department finds that the NJ-SNA's Annual Conference meets the criteria of the regulations. Specifically, I note that based upon the content of your submission, the conference promises to be broad in scope, of current relevance to New Jersey's food service professionals and will attract attendees representing a wide geographical area. For these reasons, a waiver request for the 2017 conference is granted. As a result of the waiver, school districts, charter schools and renaissance school projects will be able to reimburse attendees for overnight lodging on November 8 and 9, 2017, provided that the remaining conditions delineated in this letter are met. Reimbursement for registration fees, mileage and meals, subject to the limitations and conditions set forth in *OMB Circular 16-11* and *OMB Circular 11-09*, may also be permissible. School districts, charter schools and renaissance school projects should ensure that they approve attendance only of board members, trustees and employees whose duties are related to the purposes of the conference or who are required to attend to meet continuing education requirements as a condition of continued employment.

Moreover, please be advised that the waiver of the prohibition for reimbursement for overnight lodging covers only those attendees whose home to event commute exceeds 50 miles. In other words, only those individuals whose one-way commute to the NJ-SNA Annual Conference in Atlantic City, New Jersey, exceeds 50 miles may obtain reimbursement from their school district, charter school or renaissance school project for overnight lodging for November 8 and 9, 2017.

Finally, I want to express my appreciation of the joint efforts of the NJ-SNA to provide professional development opportunities to those who strive to provide quality public education in New Jersey. My best wishes for a successful conference.

Sincerely,

A handwritten signature in black ink that reads "Kimberley Harrington". The signature is written in a cursive, flowing style.
