Executive Director Report:

Kate thanked the commissioners for their work as we move into our second year of work under challenging circumstances

An update on the Pride season was given, highlighting activities attended in Morris and Bergen counties. Collaborated with Monmouth County EA on an educational program. We will work with the NJEA SOGI committee to expand this program to other counties and spaces.

Kate attended the following events/made contact with: NJEA Carol Watchler LGBTQIA+ Advocacy Conference, Apple Farm community event, FDU Day of Learning, Change colloquium, NJ TESOL, NJEA RISE and Consortium, Disabilities Conference in New Hampshire, SPAN, Mexican Consulate invitation, Second Floor, Rustin Center, EDGE

No update is available on our website. Chris has requested a follow-up to understand why it is not ready. There are concerns around curriculum resources being shared.

Information about the student internship is outlined in packets. Would like to take formal action on this no later than the next scheduled meeting. Shannon suggested that we move on this initiative sooner, and a discussion was held.

Upcoming events: GSE Youth Advocacy Conference, the Amistad Institute, NJ State Bar Association Conference on Bullying, NJ Historical Commission Conference, NJEA Convention, and others...we were denied a spot at the School Boards Conference. A conversation was held on the School Board's decision to exclude LGBTQIA+ content from their conference.

QSAC: Kate shared a document outlining how districts will be held accountable for implementing the LGBTQIA+ curriculum mandate.

Kate is working on the annual report, which will be shared soon.

Kate emphasized the need for commissioners to assist her in areas where the commission is present.

Open Public Comment on Agenda Items:

Carol Watchler from Burlington County emphasized the need to invite folks to be communities of care. She also discussed improving the archive and collecting the history of work done in NJ around LGBTQIA+ issues.

New Business:

A discussion took place regarding the Mahmoud v. Taylor Supreme Court Case and its potential impact on implementing the LGBTQIA+ curriculum mandate.

Robyn gave an overview of the Heaps vs. Delaware Valley case that is in the court system. The District Court ruled in favor of the district. This is at the 3rd Circuit Court of Appeals.

Allison made a motion to direct Kate to write a brief on these issues. Chris seconded it, and the motion passed.

Jason has requested that information about the commission's work be disseminated. Kate will include this in her post-meeting reports.

Andrea asked if there were resources out there to help people who are facing anti-LBGTQIA+ sentiment at BOE meetings. Kate reminded the commission that we have to be invited in and can not engage in political work.

Motion to Adjourn: A motion was made by Chris and seconded by Robt to adjourn; the motion passed.

Respectfully submitted,

Christopher F. Cannella
