Subject: [EXTERNAL] 2019 DRAFT ENERGY MASTER PLAN
Date: Monday, September 16, 2019 1:12:50 PM

In order to meet its stated goals, the Administration should impose an immediate moratorium on all new fossil fuel infrastructure projects. The moratorium should last until the legislature, BPU and DEP develop rules and procedures and any laws needed to regulate GHG's in New Jersey, and adopt specific annual plans to reduce GHG's consistent with Executive Order 28, the State's commitments in the Global Warming Response Act and the US Climate Alliance

**Thank you,
Marilyn Tepper**
