Subject: [EXTERNAL] 2019 Draft Energy Master Plan
Date: Monday, July 29, 2019 2:16:50 PM

Dear Chair Fiordaliso and EMP Committee,

I'm writing to comment and express support for the New Jersey Energy Master Plan. I hope that you will consider the important role that community solar (Goal 2.3.1) and opening access to energy data both play in allowing my neighbors and me to access clean energy, and in growing the local economy. Giving people like me access to our energy data and the benefits of solar power are key tools in advancing clean energy in New Jersey.

Please don't allow PSE&G and the other utilities to control this essential market.
