Subject: [EXTERNAL] Draft 2019 Draft Energy Master Plan
Date: Monday, September 16, 2019 9:27:46 AM

Dear Governor Murphy,

I am asking that NJ's energy plan include the following:

- 1) an immediate moratorium on all new fossil fuel projects in NJ,
- 2) 100% carbon-free renewable energy by 2050, and
- 3) AT LEAST what scientists say we need to avoid the worst - a 45% cut in greenhouse gas emissions by 2030.

Thank you,
