September 13th, 2019

Dear Commissioner Fiordaliso and EMP Committee,

I respectfully ask that the notice and comment period for the Energy Master Plan be extended until one month after the BPU's cost analysis of the plan has been completed and made public. Without this, there is a gross lack of transparency. The public deserves to be well informed as to the costs of such a consequential plan.

Sincerely,

Senator Declan O'Scanlon
13th Legislative District
