STATE ETHICS COMMISSION

Commission Case No. 46-18

DECISION

This matter arises from an allegation that Albert Alvarez failed to recuse from personnel matters concerning an individual he was dating, used his official position to help the person receive unwarranted promotions and salary increases, and misused his official position to move the department where the person was assigned so that she would have a direct line of report to him.

After considering the results of an investigation into the allegations, the Commission **dismissed** the matter pursuant to *N.J.A.C.* 19:61-3.1(g).
