STATE ETHICS COMMISSION

Commission Case No. 32-19

DECISION

This matter arises from an allegation that David Meglathery misused his State position to assist with a zoning board application in a personal matter, threatened to use his State position to write up another person's property for violations for non-State purposes, and used his State-assigned vehicle to conduct outside real estate business activities.

After considering the results of an investigation into the allegations, the Commission **dismissed** the matter pursuant to *N.J.A.C.* 19:61-3.1(g).
