Re: Supplemental Code of Ethics
Department of Health

Dear Ms. Kelly-Goodstein:

At its September 17, 2019 meeting, the State Ethics Commission approved the proposed supplemental code of ethics for the Department of Health (DOH). A copy of the DOH supplemental code will be added to the Commission's website as soon as we receive a final version of the code from DOH that lists the effective date and issue date on page 1.

Very truly yours,

STATE ETHICS COMMISSION
