Re: Waiver to the Provisions of *N.J.S.A.* 52:13D-17.2(b)

Dear Ms. Hayes:

At its February 1, 2022 meeting, the State Ethics Commission considered the University's request on behalf of Michele Fairweather, Public Safety Telecommunicator, Stockton University, whose child, John Fairweather, is currently employed by the Hard Rock Hotel and Casino as a Union Plumber, and whose other child, Daniel Fairweather, is employed by Ocean's Casino and Resort in receiving. Based on the facts and circumstances set forth below, the Commission granted a waiver of the general prohibition of section 17.2(b).

Generally, Section 17.2(b) of the Conflicts Law prohibits all State officers and employees and members of their immediate families from holding an interest in, holding employment with, representing, appearing for, or negotiating on behalf of the holder of, or applicant for, a casino license or any holding or intermediary company with respect thereto. However, the statute also contains the following exception language:

except that ... a member of the immediate family of a State officer or employee, or person, may hold employment with the holder of, or applicant for, a casino license if, in the judgment of the State Ethics Commission ... such employment will not interfere with the responsibilities of the State officer or employee, or person, and will not create a conflict of interest, or reasonable risk of the public perception of a conflict of interest, on the part of the State officer or employee, or person

The Commission agrees that there is no conflict between Ms. Fairweather's position at Stockton University and her children's employment with the Hard Rock Hotel and Casino and Ocean's Casino and Resort. Ms. Fairweather's position and her children's employment do not overlap, and there is no conflict of interest or reasonable risk of the public perceiving any kind of conflict between her position and her children's casino employment.

Based on the facts and circumstances set forth above, the Commission granted the waiver of the general prohibition of section 17.2(b) in the case of Michele Fairweather and her sons, John Fairweather and Daniel Fairweather.

Very truly yours,

STATE ETHICS COMMISSION
