Presentation:" 2025 Volunteer of the Year Ceremony"

Sara Thode, Director of Prevention and Planning shared with everyone that the Alliances represent the largest network of community-based, substance-use disorder coalitions in the nation with 300 Alliances encompassing over 400 municipalities statewide. Ms. Thode stated that these volunteers have worked to

change and save lives within their communities and throughout New Jersey. The County Volunteers of the Year were introduced by Ms. Thode and State Alliance Coordinator Kim Rodriguez, and each volunteer will be mailed a framed certificate in recognition of their service.

Ms. Thode announced that Barbara Pierson was awarded as the 2025 W. Cary Edwards Statewide Volunteer of the Year. Barbara Pierson has served as the Chairperson of Washington Township Municipal Alliance for the past 8 years. She leads an intergenerational prevention program for the Alliance that unites 6th grade students with senior citizens in her Washington Township community. The students and seniors meet multiple times during the school year to work on community projects and they receive prevention education on the importance of healthy choices and safe medication disposal during their meetings. Barbara plans the program, purchases the needed supplies, and leads the sessions. Barbara also works as a paraprofessional in the Washington Township schools where she assists neurodiverse students in special education classes. She has been honored as the Support Staff Educator of the Year by the Washington Township school system. Barbara has served as a Board of Director of the Washington Township Youth Association which supports local youth sports programs. Barbara's dedication and commitment to the health and wellbeing of the Washington Township community makes her a deserving recipient of the 2025 W. Cary Edwards Statewide Volunteer of the Year Award.

After the awards presentation, Deputy Director Rebecca Alfaro introduced the First Place winner of the Partnership for a Drug Free New Jersey Shout Down Drugs Prevention Concert, Martin Rojas Ortiz to share a recording of his song, "Bruno".
