

# New to Get Covered New Jersey?

Here are 4 easy steps to enroll in coverage and see if you qualify for financial help. Open enrollment for 2022 coverage is from November 1, 2021 – January 31, 2022.

## New consumers with no accounts

1

### [Browse Plans and create account](#)

View potential savings and browse health plans available in your area to see if you may qualify for lower premiums.

## New consumers with an existing account

### [Log in](#)

If you created an account before, log into GetCoveredNJ.

You may have an existing GetCoveredNJ account if you created one yourself, were enrolled through healthcare.gov, or received help from an Assister, Broker or a GetCoveredNJ Representative.

2

### [Start a new Application](#)

Complete a 2022 application for coverage starting January 1, 2022. If you need coverage earlier, you can also apply on the 2021 tab.

**Review new financial help you may qualify for.**

**TIP:** If you receive **conditional eligibility**, click on **“upload documents”** to provide additional information.

3

### [Shop for a plan](#)

Select **“Shop for Plans”** to review plans and choose the one that works best for you and your family.

4

### [Pay your first Premium](#)

For your coverage to start, you must pay your first month's premium on time.
