SENATE BILL NO. 2824

To the Senate:

Pursuant to Article V, Section I, Paragraph 15 of the New Jersey State Constitution, I am appending to Senate Bill No. 2824, at the time of my signing it, my statement of items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

I am very pleased to have reached a deal with my partners in the Legislature concerning the Fiscal Year 2019 State budget and supporting revenue bills. This deal implements almost all of the investments in New Jersey's future that I recommended to the Legislature in March. I thank the Legislature for including these important priorities in our spending plan for Fiscal Year 2019. With the budget I signed today, we are truly building a stronger and fairer New Jersey.

This bill amends and supplements various items of appropriation and language provisions contained in the budget bill, which I am also signing today, in order to reflect the terms of the budget deal with legislative leadership. A small number of adjustments are appropriate.

Accordingly, I am appending to Senate Bill No. 2824, at the time of my signing it, my statement of items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

Respectfully,

[seal]

/s/ Philip D. Murphy

Governor
