<sup>1</sup> The GRC received the Denial of Access Complaint on said date.

<sup>2</sup> In Renna v. County of Union, 407 N.J. Super. 230 (App. Div. 2009), the Appellate Division held that although requestors shall continue to use public agencies' OPRA request forms when making requests, no custodian shall withhold such records if the written request for such records, not presented on the official form, contains the requisite information prescribed in the section of OPRA requiring custodians to adopt a form. *Id.* Therefore, requestors may submit correspondence that requests records from a custodian under OPRA, as long as the request properly invokes OPRA.
