GRC Complaint No. 2014-421

v.

Buena Vista Township (Atlantic)
Custodial Agency

Custodian of Record: Lisa A. Tilton
Request Received by Custodian: October 31, 2014
GRC Complaint Received: December 10, 2014

Complaint Disposition: The Custodian certifies that all records responsive to the Complainant's OPRA request have been provided to the Complainant within the statutorily mandated response time and that no other documents exist responsive to said request. Additionally, although the Complainant contends that the Custodian failed to disclose responsive records, he failed to provide any competent, credible evidence to contradict the Custodian's certification.

Applicable OPRA Provisions:

"A custodian shall promptly comply with a request to inspect, examine, copy, or provide a copy of a government record." N.J.S.A. 47:1A-5(g).

"Unless a shorter time period is otherwise provided by statute, regulation, or executive order, a custodian of a government record shall grant access to a government record . . . as soon as possible, but not later than seven business days after receiving the request, provided that the record is currently available and not in storage or archived." N.J.S.A. 47:1A-5(i).
