

Basic Course for Principles of Infection Prevention and Control

Presented by Northern and Southern New Jersey APIC Chapters
and the New Jersey Department of Health

Due to the current Covid-19 pandemic, this course is being offered online.

This course is designed to prepare the new Infection Preventionist or person responsible for Infection Prevention and Control to perform the duties required in various types of healthcare settings.

Registration is open from September 1, 2020 through October 5, 2020. Register at:

<https://www.elearningconnex.com/courses/nice-the-northeastern-basic-course-for-principles-in-infection-prevention-and-control/>

The course will be available and can be started on October 19, 2020 and must be completed by December 4, 2020.

The cost for the entire course is \$350.00

CEU's: This activity has been submitted to New Jersey Department of Health Communicable Disease Service for approval to award contact hours. The New Jersey Department of Health is an accredited approver by the American Nurses credentialing Center (ANCC) Commission on Accreditation.
