*The Vaccine Preventable Disease Program would also like to present two of the awardees with “Top Honors” to highlight their achievements during the past flu season. The recipients for “Top Honors” this year are Madison Health Department and The Partnership for Maternal and Child Health of Northern New Jersey. They are being recognized for their efforts in planning and collaborating with community partners to achieve increased flu immunization rates in their respective communities and in doing so with flexibility to adapt to the demands of the pandemic.

Congratulations to all the recipients! If you have any questions or comments, please contact the Vaccine Preventable Disease Program by calling 609-826-4861, or via email at IHR@doh.nj.gov.
