

# What To Do if You Diagnose a Reportable Zoonotic Disease

## Take Precautions:

Wear proper personal protective equipment (PPE) and isolate animals when needed.

## Report:

To the local health department (LHD):  
[localhealth.nj.gov](http://localhealth.nj.gov)

## Complete:

A zoonotic disease incident report form and send to LHD: [nj.gov/health/forms/cds-32.pdf](http://nj.gov/health/forms/cds-32.pdf)

## Educate:

Owners and veterinary staff on potential zoonotic risk

## Contact:

NJDOH Office of Veterinary Public Health  
for additional questions

📞 609-826-4872

✉️ [zoonoticrn@doh.nj.gov](mailto:zoonoticrn@doh.nj.gov)

## Who should report:

- Veterinarians
- Managers of animal facilities
- Certified animal control officers
