

# COVID-19 Healthcare Provider Resources

The New Jersey Department of Health (NJDOH) thanks you for your dedication and commitment to your patients' health during the COVID-19 pandemic. Ensuring the delivery of essential services, including immunizations, requires teamwork, communication, and employing additional strategies to ensure safe and efficient patient care. The following is a consolidated list of resources to assist you in maintaining routine immunizations and healthcare services during the pandemic.

GENERAL RESOURCES
<a href="#">NJ COVID-19 Information Hub</a>
