

Basic Course for Principles of Infection Prevention and Control

Fall 2022

NEW JERSEY HEALTH RESEARCH EDUCATION TRUST AND Northeastern Infection Control Educators (NICE) ARE EXCITED TO PROVIDE THIS IN-PERSON EDUCATIONAL SERIES JOINTLY.

Dates: October 31-November 4, 2022

Location: Conference Center at Mercer County Community College, 1200 Old Trenton Road, West Windsor, NJ 08550. [The Conference Center at Mercer NJ \(mccc.edu\)](http://mccc.edu)

Description: This course is designed to prepare the new Infection Preventionist or person responsible for Infection Prevention and Control to perform the duties required in various types of healthcare settings.

Learner outcomes include:

1. Identify the modes of transmission, incubation periods, host resistance, and susceptibility to various infections and infectious diseases.
2. Implement appropriate measures to prevent the spread of infection.
3. Discuss governmental regulations and standards which govern infection prevention practice.
4. Define criteria for identifying healthcare-associated infections.
5. Describe the processes used in sterilization, disinfection, and sanitation in healthcare facilities.
6. Present the management and communication skills necessary for the coordination of an effective infection prevention program.

Registration is open from 8/29/2022 to 10/17/2022- register early- seats are limited

Register at: https://reg.learningstream.com/reg/event_page.aspx?ek=0052-0013-e1f551e9fa84405d8dd9d61c27b7ae23

Cost: \$425.00

A partial list of topics:

The Infection Prevention (IP) Program	IP as an Educator
Product Evaluation	Immunology
Infection Prevention and the Environment	Microbiology
Application of Precautions	Hepatitis
Tuberculosis	Managing Occupational Exposures
Antimicrobials Stewardship	Safe Injection Practices
Cleaning, Disinfection and Sterilization	Organization, Analysis and Presentation of IP data
Infection Control and the Built Environment	Regulations: Federal/OSHA/OBRA
Infections in the Elderly	Occupational Health
Pneumonia	Urinary Tract Infections
Respiratory	Outbreak Investigations
Dialysis	Bacteremia
Surgical Site Infections	

A partial list of faculty:

Marie Kassai, RN, BSN, MPH, CIC, FAPIC

Lisa Gillen, MS, BS(MT), CIC

Kathy Roye-Horn, RN-inactive, CIC

Jason Mehr, MPH, CIC

David Uhaze, RA

Michael Barnish, DO, FACOI

Christine Young-Ruckriegel, MSN, MPA, RN, CIC

Karen Brody, MSN, RN-BC, CIC

Nancy Kerr, RN, BSN, CIC

Caren Anuszewski, BS, MA, CIC

Alida Ammon, RN, MSN, CIC

Renee Fusco, RN, CIC

Jennifer Sneddon, DNP, MPH, APN, CIC

Louise Morgan, RN, BS, CIC

Alex Makris, MD, PA

Rebecca Greeley, MPH

Gail Morchel, RN, BSN, COHN-S, CPPS, CIC, FAPIC
