

**REASONS SCHOOL STAFF SHOULD
CONTACT THE LOCAL
HEALTH DEPARTMENT
ABOUT **INFECTIOUS DISEASES**:**

REPORTING

Reach out to your local health department if you see an increase in illness or if you suspect an outbreak.

NOTIFICATIONS

Talk to your local health department before sending notifications for outbreaks or infectious disease concerns.

PREVENTION

Promote prevention measures such as frequent handwashing, staying home when sick, & covering coughs and sneezes.

QUESTIONS

Ask your local health department if you have any questions about infectious diseases.
