## **Purpose**

The purpose of the Pompton Lakes Community Advisory Group for Health is to:

- provide a forum for community representatives to express concerns about health and environmental exposures in relation to the DuPont Pompton Lakes Works site;
- define specific questions regarding exposure and health;
- discuss solutions to answering the defined questions; and
- advise ATSDR and NJDHSS on priorities for health investigation.

## **Ground Rules**

Members of the Health CAG will:

- Attend and fully participate in meetings
- Arrive at meetings prepared and on time
- Be respectful of other participants
- Approach issues and viewpoints with an open mind
- Listen to understand others' views
