

New Jersey Resident Deaths by Year, Month, and County of Residence

2015-2018 Final Data

2019 Preliminary Data

2020 Provisional Data

Caveats for 2019 and 2020 Death Counts Presented In This Document

Preliminary means the file is close to final but not officially "closed out" yet. The counts may change, but not by much.

Provisional means "temporary." These counts will change.

2020 data are incomplete, even for past months.

The 2020 data in this document will be updated at least twice a week.

The "as of" dates on the graph and 2020 table show when the data file was last updated.

The 2020 data file has not been run through geocoding software, therefore municipality-level data are not yet available.
