EMS ID # 505988
Investigation Control # 25-0010**

Dear Mr. Rosenberg, Jr.:

The New Jersey Department of Health (Department) is vested with the responsibility of carrying out the provisions of the Health Care Facilities Planning Act, N.J.S.A. 26:2H-1 to -27, which was enacted, in part, to ensure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at N.J.S.A. 26:2H-2(b), health care services include any pre-hospital care rendered by Basic Life Support (BLS) personnel. In addition, the Emergency Medical Services Act, N.J.S.A. 26:2K-7 to -69, authorizes the Department to certify Emergency Medical Technicians (EMTs). In furtherance of the objectives set forth in the statutes, the Department has adopted regulations that govern the training, certification and professional conduct of EMTs and EMT candidates. (See N.J.A.C. 8:40A-1.1 et seq.)

On January 7, 2025, the Department's Office of Emergency Medical Services (OEMS) received notification that you may have committed a crime not fully reviewed by the Department. Consistent with OEMS regulatory authority and policy, the OEMS opened an investigation in response to this notification.

Upon opening the investigation, the OEMS investigator confirmed that you are currently certified by the OEMS as an EMT and have been certified as an EMT since December 17, 2001.

On September 19, 2002, the Department sent you a notice of proposed revocation, and on February 3, 2003, the notice of proposed revocation was amended. As is your right, you requested a hearing to contest the proposed revocation in the Office of Administrative Law. The Honorable Beatrice S. Tylutki, ALJ ruled that your actions did not pose a threat to the health and public safety and, consequently, did not uphold the Department's action. On April 1, 2004, then Commissioner of the Department of Health, Clifton R. Lacy, M.D., adopted the decision of Judge Tylutki. Thereafter, you were certified as an EMT.

The Department is a principal department of the executive branch of the State. As such, the Department is required to comply with the above requirements when certifying EMTs, including you.

Applying the above statutory requirements to your EMT certification, the Department finds that it is required to revoke your certification.

Redacted pursuant to 28 C.F.R. §§ 20.21

the Department is proposing to revoke your EMT certification.

Pursuant to N.J.S.A. 52:14B-11 and N.J.A.C. 8: 40A-10.3, you may request a hearing before the Office of Administrative Law to contest the Department's decision to revoke your EMT certification. Your request for a hearing on this matter must be submitted in writing and must be accompanied by a response to the charges contained herein. If you wish to request a hearing, please include the control number **25-0010** on your correspondence, and forward your request to:

Office of Legal & Regulatory Compliance
P.O. Box 360

Failure to submit a written request for a hearing within 30 days from the date of this notice shall be interpreted as an acceptance of this Department's decision to revoke your EMT certification, thereby, negating any further appeal rights and converting this action into a final agency decision. If you have any questions concerning this matter, please contact Daniel Kazar at (609) 633-7777 or via email at Daniel.Kazar@doh.nj.gov.
