Re: **ORDER TO CEASE AND DESIST IMPERSONATION OF A CERTIFIED NEW JERSEY EMERGENCY MEDICAL TECHNICIAN-BASIC**
Investigation Control #02-C-004

Dear Mr. Parker:

It has come to the attention of this Department's Office of Emergency Medical Services that you have been impersonating an EMT-Basic. Specifically, OEMS staff has learned that you presented what appeared to be an official New Jersey EMT-Basic certification to the Parsippany Volunteer Ambulance Squad. When asked by a representative of the Parsippany Volunteer Ambulance Squad to verify the card, OEMS staff conducted a review of certification records, which clearly indicate that you are not certified by the New Jersey Department of Health and Senior Services as an EMT-Basic. OEMS records indicate that you did complete an EMT-Basic training program in August 2001, #01109041. However, you failed the EMT-Basic exam on August 14, 2001 and again on September 18, 2001. As such, it is clear that the EMT-Basic certification card that you submitted to the Parsippany Volunteer Ambulance Squad is fraudulent. In addition, OEMS staff has been in contact with officials at the National Registry of Emergency Medical Technicians (NREMT), who have verified that you do not hold NREMT certification as either an EMT-Basic or EMT-Paramedic. Please be advised that officials at the Parsippany Volunteer Ambulance Squad have been advised of these facts.

N.J.A.C. 8:40A-9.1 sets forth the complete list of standards for certification as a New Jersey EMT-Basic. Only those individuals that have met those qualifications and have been officially certified by this Department's OEMS may hold themselves out to the public as EMT-Basics. In the event that an individual represents himself as being a certified EMT-Basic when, in fact, he or she is not so certified, this Department is obligated to take steps to halt such activity.

As such, you are hereby **ordered to immediately CEASE AND DESIST** any further representations that you are a certified New Jersey EMT-Basic. Further, you are hereby instructed to surrender to OEMS any fraudulent EMT-Basic certification cards that may be in your possession. You are also prohibited from future certification as a New Jersey EMT-Basic. In accordance with N.J.S.A. 26:2H-16, failure to comply with this Order may result in action by this Department for injunctive relief in the Superior Court of New Jersey. This Order constitutes

a final agency decision. As such, pursuant to New Jersey Court Rule 2:23, should you choose to contest this decision, your right to appeal rests with the Superior Court of New Jersey, Appellate Division.

Your full cooperation in this matter is appreciated. If you have any questions, please do not hesitate to contact Karen Halupke of my office at (609) 633-7777.

Sincerely,
