Re: **Notice of Summary Suspension:
Emergency Medical Technician (EMT) Certification # 622329
Investigation Control # 2019-0120V**

Dear Mr. Zaremski:

The New Jersey Department of Health (Department) is vested with the responsibility of carrying out the provisions of the Health Care Facilities Planning Act, N.J.S.A. 26:2H-1 et seq., which was enacted, in part, to ensure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at N.J.S.A. 26:2H-2(b), health care services include any pre-hospital care rendered by basic life support personnel. In addition, the Emergency Medical Services Act, N.J.S.A. 26:2K-7 et seq., authorizes the Department to certify Emergency Medical Technicians (EMTs). In furtherance of the objectives set forth in the statutes, the Department has adopted regulations that govern the training, certification and professional conduct of EMTs and EMT candidates. See N.J.A.C. 8:40A, EMTs: Training and Certification.

On August 7, 2019, the Department's Office of Emergency Medical Services (OEMS) received a notification that you were criminally charged with drug and weapon offenses. Consistent with its regulatory authority and OEMS policy, OEMS opened an investigation in response to this notification.

Upon opening the investigation, the OEMS investigator confirmed that you are currently certified as an EMT in New Jersey. Further, the investigator discovered that you were charged with the following under Complaint No. W-2019-000049 in Franklin Borough, New Jersey:

1. Impersonation, in the third degree, in violation of N.J.S.A. 2C:21-17(a)(1);
2. Cyber-harassment, in the fourth degree, in violation of N.J.S.A. 2C:33-4.1(a)(2);

3. Unlawful possession of a handgun, in the second degree, in violation of N.J.S.A. 2C:39-5(b)(1);
4. Two counts of unlawful possession of a large capacity ammunition magazine, in the fourth degree, in violation of N.J.S.A. 2C:39-3(j);
5. Possession of a controlled dangerous substance, in violation of N.J.S.A. 2C:35-10(a)(4);
6. Possession of drug paraphernalia, in violation of N.J.S.A. 2C:36-2; and
7. Unlawful manufacture and defacement of a firearm, in the fourth degree, in violation of N.J.S.A. 2C:39-9(d).

You were also charged under Complaint No. W-2019-000050 in Franklin Borough, New Jersey with the following:

1. Sixteen counts of unlawful possession of a large capacity ammunition magazine, in the fourth degree, in violation of N.J.S.A. 2C:39-3(j);
2. Six counts of unlawful possession of an assault firearm, in the second degree, in violation of N.J.S.A. 2C:39-5(f); and
3. Six counts of unlawful manufacture and defacement of an assault firearm, in the third degree, in violation of N.J.S.A. 2C:39-9(g).

Finally, you were charged under Complaint No. W-2019-000051 in Franklin Borough, New Jersey, with these additional offenses:

1. Bias intimidation, in the first degree, in violation of N.J.S.A. 2C:16-1(a)(2);
2. Bias intimidation, in the third degree, in violation of N.J.S.A. 2C:16-1(a)(2); and
3. Violating a court order prohibiting the possession of firearms, in the third degree, in violation of N.J.S.A. 2C:39-7(b)(3).

Specifically, on June 24, 2019, your ex-girlfriend went to the police and reported you had created a fake social media account and shared pictures with her employer and professional colleagues which depicted her wearing a Nazi Germany S.S. officer's hat. She told the police her employer is Jewish and she was fired because of the pictures.

The police launched an investigation and met with you for an interview. During the meeting, you admitted you had created the fake social media account and posted the offensive pictures. You also admitted you did so to damage your ex-girlfriend's reputation. During a consensual search of your cell phone, the police found pictures of weapons and firearms that appeared to be illegal. A search warrant was issued for your residence and vehicle. In your residence, the police recovered six assault rifles, eighteen high-capacity ammunition magazines, and two plastic jig kits which are used to illegally alter firearms. In your vehicle, the police found a loaded handgun, marijuana, and drug paraphernalia. The assault rifles had been illegally modified to accept ammunition continuously and directly from the high capacity magazines. All of the firearms were missing serial numbers as required by law. In total, you are now facing 39 criminal charges.

As you are aware, EMTs are placed in a position of trust by the general public. They must work in two-person teams to respond effectively to emergencies and must make important medical assessments and carry out appropriate medical interventions at motor vehicle accidents, in people's homes, and at other difficult field locations. In order to be effective, EMTs must exercise good judgment, trust each other and be trusted by police officers, fire fighters, doctors and other professionals. In short, EMTs must be law-abiding and trustworthy.

Based upon the foregoing, the Department has determined that your EMT certification must be **summarily suspended**. Pursuant to N.J.A.C. 8:40A-10.2(a), "the Commissioner, or his designee, may summarily suspend a person's EMT and/or EMT Instructor certification when, in his or her opinion, the continued certification of that person poses an immediate or serious threat to the public health, safety or welfare." Because you have been charged with serious crimes, the nature of which are not only indicative of poor judgment and lack of trustworthiness but also evidences that you pose a threat to patients, the Department finds that your continued certification as an EMT constitutes an immediate and serious threat to public health, safety, and welfare. **Therefore, your certification as an EMT is immediately suspended. You may not, under any circumstances, act in the capacity of, or perform the duties of an EMT in New Jersey during this period of suspension.**

In the interim, OEMS will continue to investigate this matter and monitor the progression of your criminal case. After OEMS completes its investigation and the charges against you have been resolved, you will be advised of what action(s), if any, OEMS will take with respect to your EMT certification.

In accordance with N.J.A.C. 8:40A-7.1(f), certification cards are the property of the Department and shall be immediately surrendered upon demand. You are hereby directed to immediately surrender your EMT certification card(s) to the OEMS, either by sending via United States Postal Service First Class Mail, to the address on the first page of this Notice, or via physical delivery to Department of Health, OEMS, John Fitch Way, Market and Warren Streets, Trenton, NJ, 08611.

Pursuant to N.J.A.C. 8:40A-10.3(a), you may appeal to the Commissioner of the Department of Health for emergency relief to contest this summary suspension. Your request for a hearing on this matter must be submitted in writing and must be accompanied by a response to the charges contained herein. Please include the control number **2019-0120V** on your correspondence, and forward your request to:
