Re: **Notice of Summary Suspension:
EMT Certification (EMS ID # 563734)
Investigation Control #2020-0106V**

Dear Mr. Jackson:

The New Jersey Department of Health (the Department) is vested with the responsibility of carrying out the provisions of the Health Care Facilities Planning Act, N.J.S.A. 26:2H-1 to -26, which was enacted, in part, to ensure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at N.J.S.A. 26:2H-2(b), health care services include any pre-hospital care rendered by Basic Life Support (BLS) personnel. In addition, the Emergency Medical Services Act, N.J.S.A. 26:2K-7 to -69, authorizes the Department to certify Emergency Medical Technicians (EMTs). In furtherance of the objectives set forth in the statutes, the Department has adopted regulations that govern the training, certification and professional conduct of EMTs and EMT candidates. (See N.J.A.C. 8:40A-1.1 et. seq.)

On August 21, 2020, the Department's Office of Emergency Medical Services (OEMS) received a notification that you were charged with an unknown crime. Consistent with regulatory authority and OEMS policy, the OEMS opened an investigation in response to this notification.

Upon opening the investigation, the OEMS investigator confirmed that you are currently certified by the OEMS as an EMT and have been since June 1985. Further, the investigator confirmed that you were arrested on two occasions and charged with the following under Complaint No. S-2020-000027 in Millstone, New Jersey:

1. Burglary, in violation of N.J.S.A. 2C:18-2A(1),
2. Theft by extortion, in violation of N.J.S.A. 2C:20-5C,
3. Seven counts of invasion of privacy, in violation of N.J.S.A. 2C:14-9B(1),

4. Harassment, in violation of N.J.S.A. 2C:33-4C.

It is alleged you entered a residential structure which you were not authorized to enter, with the intention to remove personal tools and work equipment which was deemed the lawful property of the victim. Furthermore, you allegedly attempted to extort the victim by threatening to divulge and expose intimate sexual videos and pictures of the victim to the public.

As you are aware, EMTs are placed in a position of trust by the general public. They must work in two-person teams to respond effectively to emergencies and must make important medical assessments and carry out appropriate medical interventions at motor vehicle accidents, in people's homes, and at other remote locations. In order to be effective, EMTs must exercise good judgment, trust each other and be trusted by police officers, fire fighters, doctors and other professionals. In short, EMTs must be law-abiding and trustworthy.

Based upon the foregoing, the Department has determined that your EMT certification must be **summarily suspended**. Pursuant to N.J.A.C. 8:40A-10.2(a), "the Commissioner, or his designee, may summarily suspend a person's EMT and/or EMT Instructor certification when, in his or her opinion, the continued certification of that person poses an immediate or serious threat to the public health, safety or welfare." Because you have been charged with a serious crime, the nature of which is indicative of poor judgment and lacks trustworthiness, the Department finds that your continued certification as an EMT constitutes an immediate and serious threat to public health, safety, and welfare. **Therefore, your certification as an EMT is immediately suspended. You may not, under any circumstances, act in the capacity of, or perform the duties of an EMT in New Jersey during this period of suspension.**

In the interim, the OEMS will continue to investigate this matter and monitor the progression of your criminal case. After OEMS completes its investigation and the charges against you have been resolved, you will be advised of what action(s), if any, OEMS will take with respect to your EMT certification.

In accordance with N.J.A.C. 8:40A-7.1(f), certification cards are the property of the Department and shall be immediately surrendered upon demand. You are hereby directed to immediately surrender your EMT certification card(s) to the OEMS, either by sending via United States Postal Service First Class Mail, to the address on the first page of this Notice, or via physical delivery to Department of Health, OEMS, John Fitch Way, Market and Warren Streets, Trenton, NJ, 08611.

Pursuant to N.J.A.C. 8:40A-10.3(a), you may appeal to the Commissioner of the Department of Health for emergency relief to contest this summary suspension. Your request for a hearing on this matter must be submitted in writing and must be accompanied by a response to the charges contained herein. Please include the control number **2020-0106V** on your correspondence, and forward your request to:

New Jersey Department of Health
Office of Legal & Regulatory Compliance
P.O. Box 360, Room 805
Trenton, NJ 08625-0360

Failure to submit a written request for emergency relief within 30 days from the date of this Notice shall be interpreted as an acceptance of this Department's decision to summarily suspend your EMT certification pending completion of its investigation, thereby forfeiting all rights to emergency relief. If you have any questions concerning this matter, please contact Eric Hicken, at (609) 633-7777 or via email at Eric.Hicken@doh.nj.gov.

Sincerely,

Terry Clancy, PhD, RN, NRP
Director
Office of Emergency Medical Services
