Re: Notice of Summary Suspension
EMS ID # 550962
Investigation Control # 25-0045

Dear Mr. Wolf:

The New Jersey Department of Health (Department) is vested with the responsibility of carrying out the provisions of the Health Care Facilities Planning Act, N.J.S.A. 26:2H-1 to -26, which was enacted, in part, to ensure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at N.J.S.A. 26:2H-2(b), health care services include any pre-hospital care rendered by Basic Life Support (BLS) personnel. In addition, the Emergency Medical Services Act, N.J.S.A. 26:2K-7 to -74, authorizes the Department to certify Emergency Medical Technicians (EMTs). In furtherance of the objectives set forth in the statutes, the Department has adopted regulations that govern the training, certification and professional conduct of EMTs and EMT candidates. (See N.J.A.C. 8:40A-1.1 et seq.)

On January 30, 2025, the Department's Office of Emergency Medical Services (OEMS) received notification that you may have been arrested for a crime. Consistent with OEMS regulatory authority and policy, the OEMS opened an investigation in response to this notification.

Upon opening the investigation, the OEMS investigator confirmed that you are currently certified by the OEMS as an EMT and have been certified as an EMT since May 19, 2006. Further, the investigator confirmed that you were charged with the following under Complaint No. W 2025 000041 in Middletown Township, New Jersey:

1. Endangering the Welfare of Children/Distribution of child pornography in the 2nd degree in violation of N.J.S.A. 2C:24-4b(5)(a)i.

Specifically, it is alleged you knowingly distributed files containing child sexual abuse material (CSAM) specifically by distributing the CSAM on the app Kik Messenger.

As you are aware, EMTs must make important medical assessments and carry out appropriate medical interventions in difficult field locations for patients young and old, combative, and docile. In order to effectively care for all patients, EMTs must exercise good

judgment and treat patients with dignity and respect. They are entrusted by the public to be there in times of need. Thus, EMTs must trust each other and be trusted by police officers, firefighters, doctors, and other professionals. In short, EMTs must be law-abiding and must be trusted to care for all patients in an appropriate, safe manner.

Based upon the foregoing, the Department has determined that your EMT certification must be **summarily suspended**. Pursuant to N.J.A.C. 8:40A-10.2, "[t]he Commissioner, or his or her designee, may summarily suspend a person's EMT-Basic and/or EMT-Instructor certification when, in his or her opinion, the continued certification of that person poses an immediate or serious threat to the public health, safety or welfare." The above alleged actions demonstrate not only poor judgment and a lack of trustworthiness but also pose a threat to vulnerable patients, especially minors. Such behaviors and actions are incompatible with the duties of an EMT and the Department finds that your continued certification as an EMT constitutes an immediate and serious threat to public health, safety, and welfare. **Therefore, your certification as an EMT is immediately suspended. You may not, under any circumstances, act in the capacity of, or perform the duties of an EMT in New Jersey during this period of suspension.**

In the interim, the OEMS will continue to investigate this matter and monitor the progression of your criminal case. After OEMS completes its investigation and the charges against you have been resolved, you will be advised of what action, if any, the OEMS will take with respect to your EMT certification.

Pursuant to N.J.A.C. 8:40A-10.3(a), you may appeal to the Commissioner of the Department of Health for emergency relief to contest this summary suspension. Your request for a hearing on this matter must be submitted in writing and must be accompanied by a response to the charges contained herein. Please include the control number **25-0045** on your correspondence, and forward your request to:

New Jersey Department of Health
Office of Legal & Regulatory Compliance
P.O. Box 360
Trenton, NJ 08625-0360

Failure to submit a written request for emergency relief within 30 days from the date of this Notice shall be interpreted as an acceptance of this Department's decision to summarily suspend your EMT certification pending completion of its investigation, thereby forfeiting all rights to emergency relief. If you have any questions concerning this matter, please contact Daniel Kazar at (609) 633-7777 or via email at Daniel.Kazar@doh.nj.gov.
