Office of Emergency Medical Services

Created in 1967, The New Jersey Office of Emergency Medical Services (OEMS) was the first office of its kind in the United States. OEMS is part of the department's Division of Public Health Infrastructure, Laboratories, & Emergency Preparedness (PHILEP).

OEMS maintains the certification of more than 26,000 Emergency Medical Technician-Basics (EMT-B's) and 1,700 Emergency Medical Technician-Paramedics (EMT-P's) as well as the provider licensure of mobility assistance vehicles, ambulances, mobile intensive care units, specialty care transport units and air medical units totaling more than 4,500 vehicles.

You will be taken to the loading screen as shown.

You will then be granted access to the Licensing Application.

The screenshot shows a web application interface for the NJ Department of Health and Senior Services. The top navigation bar includes links for HOME, PROVIDERS, MESSAGES, FEES MGMT, SEARCH, and HELP. Below the navigation bar is a breadcrumb trail: Home > Welcome. The main content area is titled "Welcome" and features the Emergency Medical Services Application logo. Below this is a section for "Important Information" with three columns: "Mailing Address", "Contacts", and "Shortcuts/Links". The "Mailing Address" column lists the NJ Department of Health and Senior Services, Office of Emergency Medical Services, PO Box 360, Trenton, NJ 08625-0360, along with telephone and fax numbers. The "Contacts" column lists Christopher J. Tams, Licensing Coordinator, with his office address and contact information. The "Shortcuts/Links" column includes links to the NJCHSS EMS Home Page, NJCHSS EMS Forms, and the NLINCS HAN Portal. Below the "Important Information" section are two side-by-side boxes: "Statistics" and "Fees Mgmt". The "Statistics" box shows user statistics for the currently logged-in user, including fields for Display Name, Username, UserID, Role (User), Number of Providers Owned (0), and Number of Vehicles Owned (0). The "Fees Mgmt" box shows the overall account balance, stating "You owe: \$0.00". Below these boxes is a "Messages" section with a message count of 5 most recent unread messages, but it displays "No Messages Found". At the bottom of the page, there is a footer with the date/time (8/8/2012 1:38:39 PM), the username (bill), the UserID (100003), and the application name (NLINCS - Health Alert Network Emergency Medical Systems).
