

The New Jersey Regional Maternal Mental Health Resource Directory

About the Directory

The New Jersey Postpartum Resource and Support Network (NJPRSN) Grantees collaborated to compile a list of mental health providers specializing in the treatment of perinatal mood disorders. This directory is organized by region and county for New Jersey residents.

While this list is updated periodically, it is important to remember the details within this directory may change including but not limited to insurance information, locations and contact information. Contact your insurance provider to find the most up-to-date details regarding insurance coverage for mental health services.

If you are having a mental health emergency and need immediate assistance, please call 911 or 988, or go to the nearest Emergency Room. These resources are not intended for emergency use.

*All website links in this directory, including those for providers, should be clickable.
