I Can't Buy This!

If an item scans as "Not a WIC Item" but you believe it is, you can submit it for review by clicking "I couldn't buy this" or by using this icon. Complete the short form and receive follow up with the item's approval status.

Manage Cards

You can add multiple card numbers to your app. This is useful if you are a representative for someone else's WIC account. If you don't see this icon, go to the menu bar in the top left corner.

WIC Allowable Foods

View the WIC Approved Food List. Refer to this guide as you shop so you are aware of what brands, sizes, and types of foods you can buy.
