

NEW JERSEY IMMUNIZATION INFORMATION SYSTEM (NJIIS)
DUPLICATE RECORD

INSTRUCTIONS:

1. Identify the duplicate records and choose which Registry ID to retain and which one is the duplicate.
2. Make sure the information is correct and all columns are completed.
3. The NJIIS Site Administrator (SA) should verify the information on the form, and sign and date the bottom portion of the form to authorize that the Duplicate Registry ID to be merged with Retained Registry ID is accurate.
4. **Fax the completed form to Central Jersey Family Health Consortium (CJFHC) - NJIIS QA Unit at 732-659-9180.**
