* *Optional - Record the number of pupils enrolled in Pre-K/Childcare, Kindergarten, and Grade 6. For Grade 1 and Transfers only record the number of pupils required to be entered on the survey.*

** *Excluding the flu vaccine requirement. Include data on flu vaccine requirement in the Influenza Vaccine Requirement Survey below. Pupils with Provisional Admittance, Medical Exemptions, or Religious Exemptions are not considered to be Meeting All Immunization Requirements for the purpose of this report.*

+ *Provisional Admittance - Those students who have received at least one dose of each required age-appropriate vaccine, and is on schedule to receive subsequent doses using minimum intervals. Students who do not meet the provisional definition are considered to be out of compliance. Out of compliance students are not captured on this report and should not be reported under the Provisional category. Students who do not fall into any of the reported categories above will be assumed to be out of compliance.*

*** *Transfer Students - All students newly transferred from out-of-district/state/country since the submission of last year's report. High schools are only required to report on out-of-state/country transfers.*

If you **do not** have any students under 60 months of age, thank you for completing your Annual Immunization Status Report. Please click on submit and print out your submission.

If you have students under 60 months of age, please consider assisting us in assessing the efficacy of the influenza vaccine requirement. To participate in Influenza Vaccine Implementation Survey (IVIS), please click 'Yes' below. To not participate, please click on 'No'.

Are you willing to complete the IVIS (below)? Yes No

Influenza Vaccine Implementation Survey (IVIS)

As per N.J.A.C. 8:57-4.19, children six months through 59 months of age attending any licensed child care center, or preschool facility shall annually receive at least one dose of influenza vaccine between September 1 and December 31 of each year.

Although the survey is voluntary, we need to evaluate the compliance with and the effectiveness of the influenza vaccination programs for preschool aged children. We appreciate your cooperation in filling out this survey.

Total # of Students between ages 6-59 mos. subject to the flu vaccine requirement	Total # of Students subject to the flu vaccine requirement who received flu vaccine by December 31st	Total # of Students subject to the flu vaccine requirement with a religious exemption for flu vaccine	Total # of Students subject to the flu vaccine requirement with a medical exemption for flu vaccine
