		Safety Data Sheet (SDS)	HSFS*
Product Name:			
Hazardous Chemical Ingredients:			
Product Name:			
Hazardous Chemical Ingredients:			
Product Name:			
Hazardous Chemical Ingredients:			

Note: Make Copies to List Additional Chemicals and for each Work Area.

**A Hazardous Substance Fact Sheet (HSFS) is required for each individual chemical within a product only if the chemical has a Fact Sheet listed on the Right-to-Know website (www.nj.gov/health/rtkweb). Allowing employee access to the website, during the work shift, satisfies the requirement to provide employee access to the HSFS.*
