

**New Jersey Department of Health  
Office of Vital Statistics and Registry**

**CMR RECERTIFICATION COURSE TRACKING LOG**

A total of eighteen (18) recertification credits must be obtained between the issuance date and the expiration date of your Certified Municipal Registrar (CMR) Certification. New certificates will be automatically mailed, approximately two weeks after the registrar's CMR expires, to those registrars who obtain a minimum of 18 recertification credits.

Please track your attendance below and compare to the total in EDRS. Please notify Damon Koslow, Outreach Manager, if there are any questions or discrepancies (609-777-3565, or [damon.koslow@doh.state.nj.us](mailto:damon.koslow@doh.state.nj.us)). You can attend the same course multiple times, but will only receive credit once per CMR cycle. Signed course rosters will be the only source of attendance verification.
