### Additional Details

- Surface Water Quality indicators for various municipalities in Bergen County.
- Data collected on 4/12/2022.
New Jersey's [Surface Water Quality Standards (SWQS)](https://www.nj.gov/dep/er/cur/swwq/index.html) establish the designated uses of the State's surface waters, classify surface waters based on those uses, and specify the water quality criteria and other policies necessary to attain those uses. Designated uses include water supply for drinking, agriculture and industrial uses, fish consumption, shellfish resources, propagation of fish and wildlife, and recreation.

The table below show the designated use information for your municipality. For more information on Surface Water Quality, see the Healthy Community Planning Report for this municipality.
