Re: Notice of Revocation for Nurse Aide Certification
Frantz Louis vs. New Jersey Department of Health
Certification No: NA 200033803
Agency Reference No. OPC 26-16445

Dear Mr. Louis:

The Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services, under authority of federal law, imposes a requirement on state governments to ensure that nurse aides have the education and clinical skills necessary to care for residents of long-term care facilities. See 42 C.F.R. Part 483. These regulations also require that each State maintain a nurse aide Registry, which, pursuant to 42 C.F.R. 483.156(c)(1)(iv), must contain all substantiated findings by the State of resident mistreatment, abuse, neglect, or misappropriation of resident property by a certified nurse aide.

The Certification Program of the New Jersey State Department of Health (Department) was notified of the results of an investigation in which there was sufficient information that you committed acts of sexual abuse, neglected and mistreatment when you posed a risk to a long-term care resident entrusted in your case.

The incident occurred on or about July 3, 2026, while you were employed as a certified nurse aide at Berlin Rehabilitation and Healthcare Center, in Berlin, New Jersey. An investigation by the facility established credible evidence that you sexually abused, neglected and mistreated a resident after an investigation resulted you admitting during your discussion with the detective to inserting your penis into the victim's vagina. When

asked for clarification you stated you took her to the bathroom, where you vaginally penetrated the victim with your penis, did not ejaculate, the incident lasted for about a minute, then you proceeded to clean her up and sent her out to the day nurse for her morning medication. Subsequently, you were charged with Aggravated Sexual Assault N.J.S.A. 2C:14-2a(7) and Endangering Another Person N.J.S.A. 2C:24-7.1b(1). Your actions were willful, and constitute abuse in accordance with the federal definitions under 42 C.F.R. 483.5.

The Department summarily suspended your nurse aide certification on August 7, 2026. You failed to request a hearing regarding the summary suspension in the allotted time. Thereafter, the Department issued a Right to Hearing Notice on September 23, 2026. You failed to request a hearing in the allotted 30 days from the date of the Right to Hearing Notice. In addition, the Department has not received any evidence that you did not receive the notice.

Therefore, in accordance with 42 C.F.R. 483.156(c)(1)(iv), please be advised that a finding of sexual abuse, neglect, and mistreatment will be placed next to your name on the Registry and will remain on the Registry permanently. Please also be advised that your certification is revoked.

Please surrender your nurse aide certificate and wallet card to:

Office of Program Compliance-Reporting
120 South Stockton Street, 3rd Floor
Trenton, NJ 08625-0358

The certificate and the wallet card are no longer valid, and the status of your nurse aide certification is now revoked.

Please be advised that pursuant to N.J.A.C. 8:39-43.1(a)(1), only individuals who maintain a currently valid nurse aide certificate and are registered in good standing on the Registry are considered by the Department to be competent to work as a certified nurse aide in a licensed long term care facility. A certified nurse aide is no longer registered in good standing if a finding of abuse, neglect or misappropriation by the certified nurse aide's name is included on the Registry. Therefore, you are prohibited from employment as a certified nurse aide when a finding of sexual abuse, neglect, and mistreatment remains next to your name on the Registry.

In accordance with 42 C.F.R. 483.156 and N.J.A.C. 8:39-43.7, you are entitled to submit a written statement contesting the findings noted above. This statement will be maintained on the Registry. If you wish to submit such a written statement, you must do so within 20 days of the date of this letter. Your letter should reference "Notice of Revocation of Nurse Aide Certificate: Contested Findings."

Please forward this statement to the Office of Program Compliance-Reporting along with your nurse aide certification and your nurse aide wallet card to the address listed in this letter.

Sincerely,

Lisa King, Program Manager
