Dear Mr. Jankelovits:

This corrected order replaces the order issued yesterday. On August 20, 2025, the New Jersey Department of Health (the Department) issued to Trenton Gardens Rehabilitation and Nursing Center, a verbal and written Curtailment of Readmissions and Directed Plan of Correction in response to violations identified by Department surveyors that constituted an immediate and serious risk of harm to facility residents. On October 10, 2025, the Department amended the direct order to include all admissions and readmissions. This order confirms that, effective immediately, the Department is lifting the Curtailment of all Admissions and Readmissions and the Directed Plan of Correction.

Thank you for your attention to this important matter and for your anticipated cooperation. Should you have any questions concerning this order, please contact Lisa King, Office of Program Compliance at (609) 376-7890.

Sincerely,

Gene Rosenblum, Director Office of Program Compliance
