Dear Mr. Herbst:

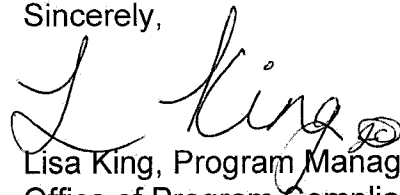

On March 6, 2025, the New Jersey Department of Health (hereinafter, "the Department") issued an order curtailing all admissions of new participants to Royal Senior Care (hereinafter "Royal Senior") and a Directed Plan of Correction (DPOC) requiring Royal Senior to immediately retain a consultant Administrator and a consultant Director of Nursing with experience in Infection Control Protection. These enforcement actions were taken due to violations identified by Department surveyors that posed an immediate and serious risk of harm to participants.

Effective immediately, the Department hereby lifts the curtailment of new admissions and the Directed Plan of Correction.

Thank you for your attention to this important matter and for your anticipated cooperation.

Should you have any questions concerning this order, please contact Lisa King, Office of Program Compliance, at Lisa.King@doh.nj.gov.

Sincerely,
