On December 12, 2024, the New Jersey Department of Health (the Department) issued to South Jersey Extended Care a Directed Plan of Correction requiring the retention of an administrator consultant because the facility's financial viability, and consequently the provision of services to residents in its care, was threatened by its anticipated disqualification, and the anticipated disqualification of related individuals and entities, from the New Jersey Medicaid program. In light of the appointment of a state court receiver, the Department has lifted the Directed Plan of Correction effective immediately.

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning this order, please contact Lisa King, Office of Program Compliance, at [Lisa.King@doh.nj.gov](mailto:Lisa.King@doh.nj.gov).

Sincerely,
