Dear Mr. Scherfel,

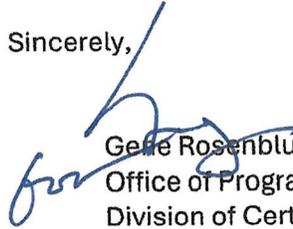

On March 3, 2026, the Department of Health (hereinafter, "the Department") issued a Directed Plan of Correction (DPOC) order requiring The Center for Rehab & Nursing at Washington Township (hereinafter, "The Center" or the "facility") to immediately retain the services of both a Licensed Nursing Home Administrator (LNHA) Consultant and a Consultant Director of Nursing (DON). These enforcement actions were taken due to violations identified by Department surveyors that posed an immediate and serious risk of harm to participants.

As you were notified orally on March 20, 2026, and effective on that date, the Department has lifted the March 3, 2026, Directed Plan of Correction Order.

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning this order, please contact Nadine Jackman, Office of Program Compliance, at Nadine.Jackman@doh.nj.gov.
