Dear Ms. Phipps,

This written order confirms the verbal order issued to the facility today.

The New Jersey Department of Health (the Department) previously issued to Vistacare Dialysis Center a Curtailment of ESRD Admissions and Readmissions Order, along with a Directed Plan of Correction, following findings by Department surveyors of conditions that constituted an immediate and serious risk of harm to patients.

Based upon the Department's review and determination that the cited conditions have been appropriately addressed, this notice confirms that, effective immediately, the Curtailment of ESRD Admissions and Readmissions and the Directed Plan of Correction are hereby lifted.

Thank you for your attention to this matter and for your continued cooperation. Should you have any questions regarding this notice, please contact Lisa King, Office of Program Compliance, at (609) 376-7890.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gene Rosenblum".
