To discuss: Resilience as a cross-cutting issue?

TIME FOR

Action Teams

ACTION

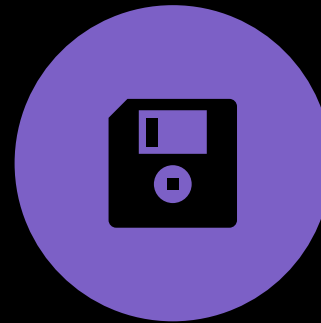

Recruitment Recap

108 applicants in 4 weeks

14 have been selected so far for Phase 1

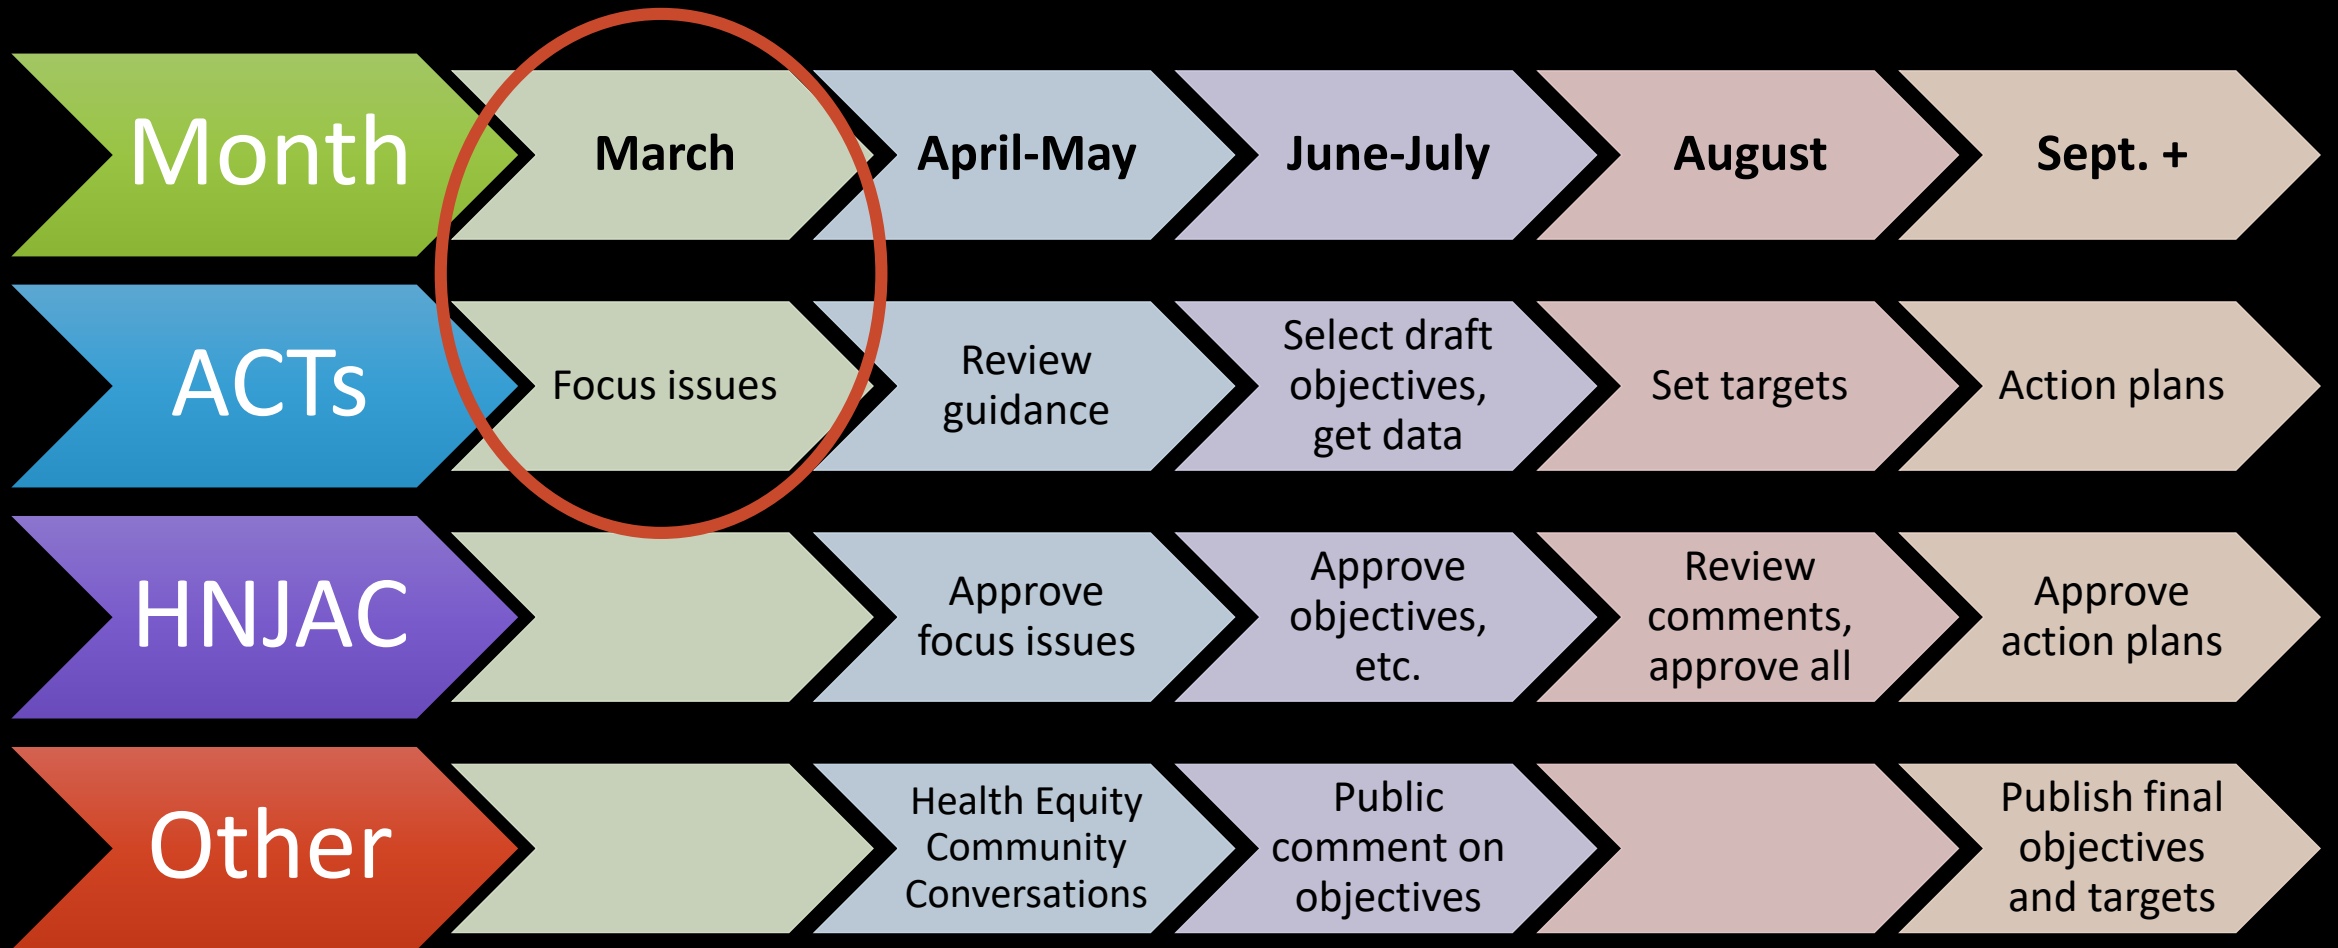

Keep the others for Phase 2+

Reopen recruitment at a certain time, leave it open permanently, or neither?

Combined timeline for next 6 months

Focus Issue Selection Guidance

Refine the Topic Areas such that they reflect the “most important” aspects of health based on:

Reducing deaths

Reducing morbidity

Reducing disability

Reducing health disparity/increasing health equity

Increasing well-being

ACT Next steps

Now through March

Begin talking with team members!

- Discuss your Topic Area
- Share the ideas the HNJAC brainstormed (i.e., what's online)
- Brainstorm what may have been missed
- Decide which ideas stay and which ones go → your “focus issues”

Access to Quality Care

10 members: 3 HNJAC, 1 HNJCC, 2 DOH
sr. staff, 4 invitees

3 applicants chosen but not confirmed

1st call:

Progress thus far

Questions for the Council?

Progress thus far

Questions for the Council?

Healthy Living

13 members: 3 HNJAC, 1 HNJCC, 1 DOH staff, 3 invitees, 5 applicants

1st meeting: April 2

Progress thus far

Questions for the Council?

Health Equity Community Conversations

Confirmed:	Rural population in Milford, NJ
Potential:	Latino newly arrived and seniors
Working on:	African American fathers from the Fatherhood Initiative
Other leads:	From DCF and Jeanne
Needed:	Ideas/connections to priority communities

HECC Next Steps

Now:

- Identify groups or subpopulations that are not well represented in public health priorities

April – May:

- Co-facilitate HECCs

On-going:

- Network with community stakeholders re: health equity and act as a HNJ2030/HECC “ambassador”

File Sharing

Microsoft Teams

- Will your organization let you access it?
